Wrap-up

Networked Systems 3
Lecture 19

Lecture Outline

- Examination and revision

- Networked systems in level 4

- Networked systems research

Examination and Revision

- Exam is worth 80% of course mark

  - Duration: 1.5 hours

  - Rubric: answer all 3 questions

  - Copies of past exam papers are on Moodle

- No revision lecture – email me with any questions

Networked Systems in Level 4

- Two taught modules cover networked systems:

    - Advanced Networking and Communications 4

    - Distributed Algorithms and Systems 4

- Individual projects in networked systems:

    - Look for projects supervised by members of the Embedded, Networked, and Distributed Systems research group

    - Talk to us if you're interested in networking-related projects – we generally have more project ideas than proposed, and can often suggest something that fits with your interests

Networked Systems Research in the School of Computing Science

The End
